## #APConnect Collaborative Professional Learning

Bookings are now live for [new](#) blended #APConnect Professional Development modules. **\*\*\*All modules are available in-house \*\*\***

### Using Developmental Observations - Advanced Practice

For those keen to re-examine observations through formative, and not performative, lens – this is a must. This module is designed & delivered by Professor Matt O’Leary and Joanne Miles exploring expansive and practical ways of using observations developmentally. We focus on developing the coaching beliefs, behaviours and skills underpinning such an approach.

Starts: 6 November 2020 | Course fee: from £85 with SET discount [Book here](#).

**Also available in-house, dates to be agreed by organisation | Fee: £1,230 for 16 staff**

### Leading AP teams - Advanced Practice

For managers leading AP-type teams this is a must. We examine how to create and sustain the conditions for AP teams to thrive; exploring your vision, resources and skills investment in APs. The module is delivered by Joanne Miles with a keynote from Professor Matt O’Leary.

Starts: 2 December 2020. Prices from £85 with SET discount. [Book here](#).
